Central Queensland Hospital and Health Service

Rockhampton Hospital Temporary Car Park

New Multi Level Car Park Development

What is Happening?

Rockhampton Hospital is constructing a new multi-level car park that will provide 597 parking spaces to staff, patients and visitors to the hospital.

This car park will be located on the site of the current on grade parking lot near the main entrance to the hospital.

When is it Happening?

Site preparation for the construction of the new car park will begin in June 2017, with the main construction commencing in September.

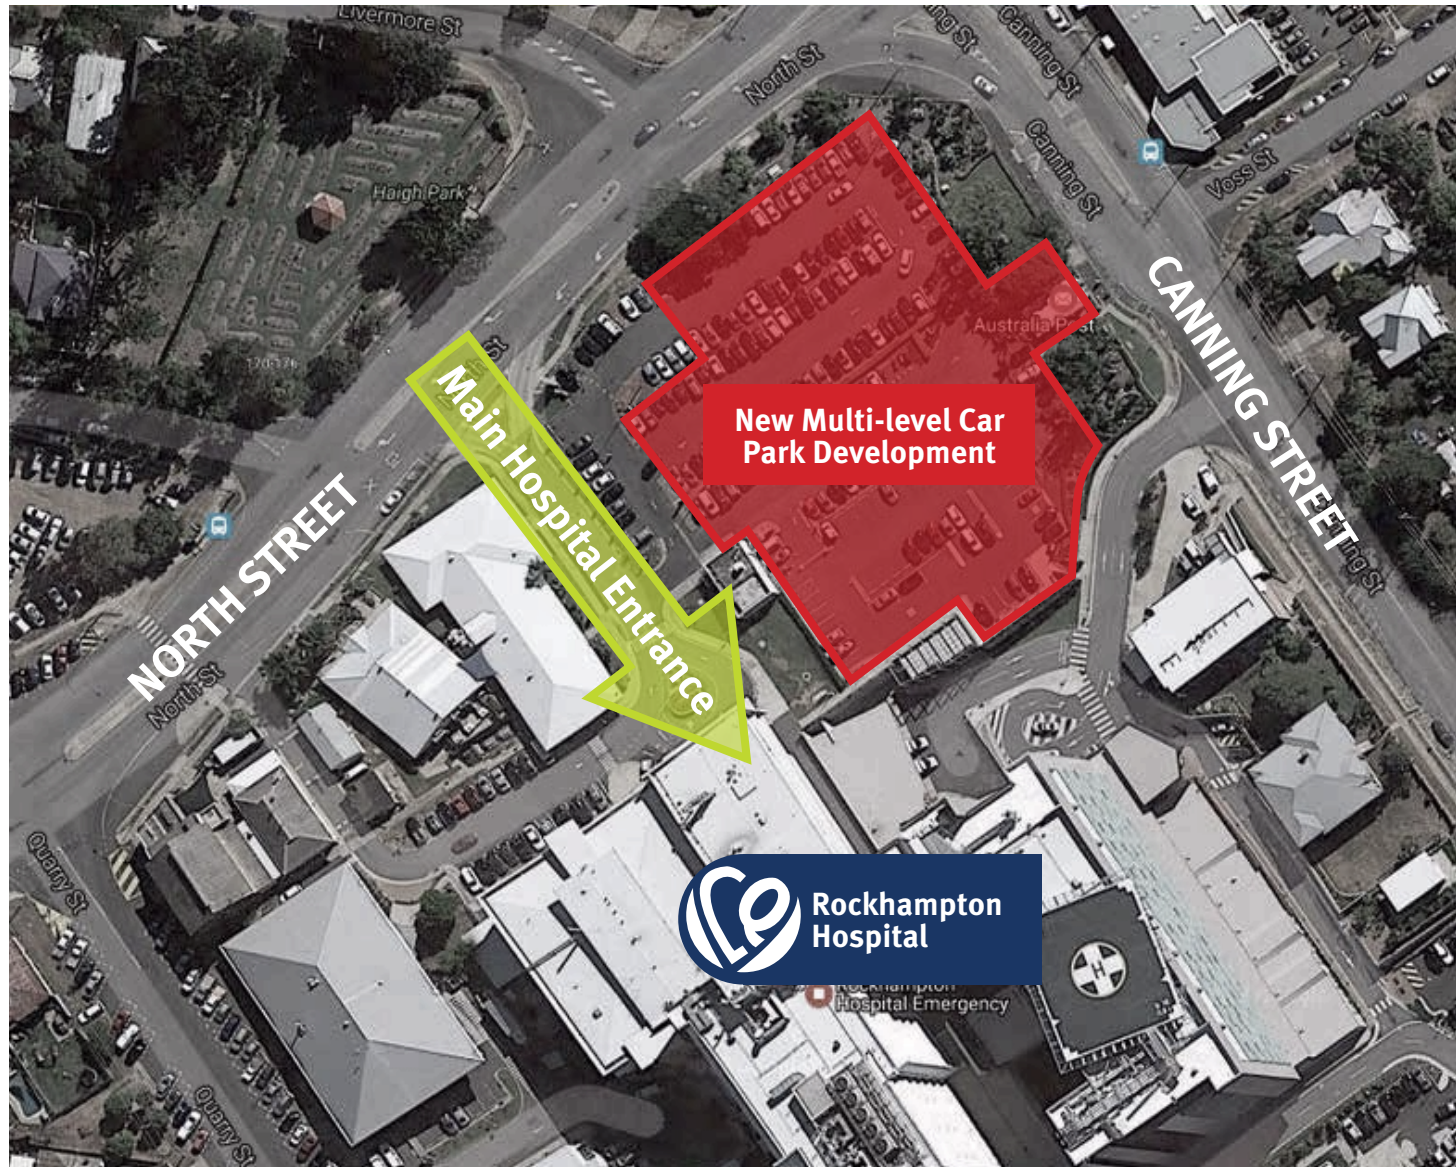

The new car park is due to be completed in October 2018.

Where can I Park?

The current on grade parking lot will be unavailable during the construction period.

A range of temporary parking options will be provided while this site is unavailable.

Please continue reading this document for further information about these options and how to make use of them.
